As found in the CC&Rs Article IV

- (b) Each owner acquiring title to a lot shall be personally liable only for assessments attributable after the date of acquiring the title. Any unpaid assessment prior to such date shall remain against the previous owner, except a lien not cleared by such acquiring of title will remain in effect subject to foreclosure.
- (c) No owner may exempt his/her lot from any and all assessments by waiving his/her right to use the Common Area, or by abandonment or non-use of his/her property.

Section 2. Regular Assessments.

- (a) Preparation of Annual Budget: Establishment of Regular Assessments. Not less than 30 days prior to the beginning of the Association's fiscal year, the Board shall set up a budget for the following fiscal year. This budget shall include reserve funds for any foreseeable repair or addition to the Common Area and Facilities. The prepared budget shall be distributed to all members not later than the day of the Annual Meeting.
- (b) Establishment of Regular Assessment by Board/Membership Approval Requirements. The total amount of the estimated budget (less any income not generated by sale of property) shall be divided equally among all lot owners. Unimproved lots shall have an assessment of not less than 60% and not more than 75% of improved lots. If the Board fails to make an estimate, the prior year's assessment amount will prevail.
- (c) Membership Approval. The Board of Directors cannot raise regular assessments more than 20% from the previous year. Any assessment increase more than 20% must be approved by the majority of members in a written ballot to comply with Section 5605 of the California Civil Code.
- (d) Assessments to Address Emergency Situations. The requirement of a membership vote for regular assessment increases in excess of 20% of the previous year's regular assessment shall not apply to assessment increases necessary to address emergency situations. For purposes of this subparagraph (d), an emergency if any of the following:
 - i. An extraordinary expense required by an order of a court.
 - ii. An extraordinary expense necessary to repair or maintain the Common Areas or Common Facilities where a threat to personal safety is discovered.
 - iii. An extraordinary expense necessary to repair or maintain the Common Areas or Common Facilities that could not have been reasonably foreseen by the Board in preparing and distributing the budget pursuant to subparagraph (a) above; provided, however, that prior to the imposition of collection of an assessment under this paragraph (iii), the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the members with the notice of assessment.

Section 5. Purpose and Reasonableness of Assessment.

Each regular, special or special individual assessment made in accordance with the provisions of this declaration, is hereby declared and agreed to be: (a) for use exclusively to promote the recreation, health, safety and welfare of the resident of the properties; (b) for the enjoyment and use of the properties by the owners and their families, tenants invitees, guests and employees; (c) for the repair, maintenance, replacement and protection of the Common Area and Common Facilities; (d) a reasonable assessment; and (e) to constitute a separate, distinct and personal obligation (with respect to which a separate lien may be created) of the owner of the lot against which the assessment is made which shall be binding on his/her heirs, successors and assigns; provided that the personal obligation for delinquent assessments shall not pass to the owner's successors in title unless expressly assumed by them.

Section 7. Collection of Assessments; Legal Procedures

- (a) Delinquent Assessments: Accrual of Interest. If any installment payment of a regular assessment of lump sum or installment payment of any special assessment assessed to any owner is not paid by the last day of the quarter, such payment shall be delinquent, and the amount thereof shall bear interest at prime rate plus 2% until the same is paid. In addition to the accrual of interest, the Board of Directors is authorized to promulgate a schedule of reasonable late payment charges for any delinquent assessments, subject to the limitations set forth in California Civil Code section 5620 or comparable superseding statute. (*See Page 6)
- (b) Collection of Assessments: Legal Procedures. Remedies available to the Association to collect delinquent assessments and interest: the Association shall have the right to effect collection of any delinquent assessments, penalties and interests of over 6 months by assigning it to any outside collection agency, and/or placing a lien on the delinquent lot.
- (c) Creation and Imposition of a Lien for Delinquent Assessments. The amount of any delinquent regular or special assessment, together with any penalties, interest and costs (including reasonable attorney's fees) attributable thereto or incurred in the collection thereof, shall become a lien upon the lot of the owner so assessed only when the Association causes to be recorded in the Office of the County Recorder of Calaveras, State of California, a Notice of Delinquent Assessment executed by an authorized representative of the Association, setting forth: (a) the legal description for such lot, (b) the owner of record or reputed owner thereof, (c) the amount claimed, (d) the name and address of the Association, and (e) the name and address of the trustee authorized by the Association to enforce the lien by sale.
- (d) Foreclosing a Lien. The Association may bring legal action against the owner personally obligated to pay the delinquent assessment, foreclose its lien against the owner's lot, or accept a deed in lieu of foreclosure. Foreclosure by the Association of its lien may be by judicial foreclosure or by non-judicial foreclosure pursuant to a power of sale, in the same manner as the foreclosure of a mortgage or deed of trust upon real property under the laws of the State of California.

Section 8. Transfer of Lot by Sale or Foreclosure. The Association, acting on behalf of the owners, shall have the power to bid for the lot at a foreclosure sale, and to acquire and hold, lease, mortgage and convey the lot.

(iii) Non-judicial Foreclosure.

- (a) The Association shall have the right conferred by section 2934A of the California Civil Code to assign its rights and obligations as trustee in any non-judicial foreclosure proceeding to the same extent as a trustee designated under a deed of trust and for purposes of said section 2934A, the Association shall be deemed to be the sole beneficiary of the delinquent assessment obligation. Furthermore, in lieu of any assignment of trusteeship, the Association shall be entitled to employ the services of a title insurance company or other responsible company authorized to serve as a trustee in non-judicial foreclosure proceedings to act as an agent on behalf of the Association in commencing and prosecuting any nonjudicial foreclosure hereunder.
- (b) Non-judicial foreclosure shall be commenced by the Association or its assignee by recording in the Office of the County Recorder a Notice of Default, which notice shall state all amounts which have become delinquent with respect to the owner's lot and the costs (including collection and attorneys' fees), penalties and interest that have accrued thereon, the amount of any assessment which is due and payable although not delinquent, a legal description of the lot in respect to which the delinquent assessment is owned, and the name of the owner of record or reputed owner thereof. The Notice of Default shall state the election of the association or its assignee to sell the parcel or other property to which the amounts relate and shall otherwise conform with the requirements for a notice of default under section 2924c of the California Civil Code or superseding statute.
 - i. Actions for Money Judgments. In the event of default in payment of assessments, the Association may initiate, in addition to any other remedy provided herein or by law, legal action to recover a money judgment for unpaid assessments, costs, rent and attorney's fees without foreclosure or waiving the lien securing the same.

Note: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserve funds was 3 percent per year, and the assumed long-term inflation rate to be applied to major component repair and replacement costs was 3 percent per year.

(b) For the purposes of preparing a summary pursuant to this section:

- (1) “Estimated remaining useful life” means the time reasonably calculated to remain before a major component will require replacement.
- (2) “Major component” has the meaning used in Section 5550. Components with an estimated remaining useful life of more than 30 years may be included in a study as a capital asset or disregarded from the reserve calculation, so long as the decision is revealed in the reserve study report and reported in the Assessment and Reserve Funding Disclosure Summary.
- (3) The form set out in subdivision (a) shall accompany each annual budget report or summary thereof that is delivered pursuant to Section 5300. The form may be supplemented or modified to clarify the information delivered, so long as the minimum information set out in subdivision is provided.
- (4) For the purpose of the report and summary, the amount of reserves needed to be accumulated for a component at a given time shall be computed as the current cost of replacement or repair multiplied by the number of years the component has been in service divided by the useful life of the component.
